

AOGD Workshops 2012

Improving Surgical Skills in Advanced Endoscopy & Gynecologic Oncology

Themes: 'Safe Endoscopy' 'Advanced Ovarian Cancer'

25th February, 2012 • Time: 8.00 am - 5.30 pm
The Lalit, Barakhamba Road, Connaught Place, New Delhi

Advanced Endoscopy: Safe Endoscopy

Hall - A

Conveners and Endoscopic Surgeons: Dr. Alka Kriplani, Dr. KK Roy

The Live Endoscopy workshop will be performed at All India Institute of Medical Sciences, New Delhi and will be relayed live to the Venue, The Lalit. The aim is to improve the safety of surgical care by ensuring incorporation of advanced technologies as well as adherence to proven standards of care in endoscopic procedures. The scientific program is carefully designed to meet the needs of the practicing gynaecologic endoscopists, beginners and post graduate students. Traditional topics, cutting edge technologies and recent advances will be covered

Laparoscopic procedures	Hysteroscopic procedures
Laparoscopic tuboplasty	Hysteroscopic bipolar septal resection
Laparoscopic ovarian cystectomy	Hysteroscopic myomectomy
Laparoscopic myomectomy	Hysteroscopic cannulation
Total Laparoscopic hysterectomy	Hysteroscopic adhesiolysis
Laparoscopic prolapse repair surgery	
Laparoscopic endometriosis surgery	

Gynecologic Oncology: Advanced Ovarian Cancer

Hall - B

This workshop on improving surgical skills in gynaecological cancers is directed to all Gynaecologists and Gynaecological Oncologists involved in the surgical management of advanced ovarian cancer and complex pelvic surgery. Tricks and surgical techniques to keep it simple in complex clinical situations will be presented by faculty of Consultant Gynae-oncologists from UK – **Mr Charlie Chan, Kavita Singh and Janos Balega**. Standards of surgical care, video demonstration of surgical techniques and management of complications will be discussed.

Debulking surgical procedures for advanced ovarian cancer

1. Global standards of surgical care in advanced ovarian cancer
2. Technique of diaphragmatic resection and stripping
3. Optimal standards of supracolic omentectomy
4. Surgical techniques and indication and perioperative management after splenectomy
5. Small bowel resection and anastomosis – indications and techniques
6. Rectosigmoid resection indications and techniques in ovarian debulking surgery
7. What is extra-peritoneal hysterectomy? - Indications and techniques
8. Peritonectomy – pelvic and abdominal - indications and technique
9. Formation of bowel stomas and perioperative management
10. Retroperitoneal assessment of para-aortic nodes/pelvic nodes

Management of surgical complications

1. Techniques, tricks and developments of securing adequate hemostasis?
2. Management of peri-operative bowel injury
3. Management of urinary tract injuries

Patron: Neelam B Vaid

Organising Chairperson: Neerja Goel • **Organising Secretary:** Shalini Rajaram

Joint Organising Secretary: Sumita Mehta

Organising Faculty

Gita Radhakrishnan	Amita Suneja	Kiran Guleria	AG Radhika	Abha Sharma
Balkesh Rathi	Rachna Agarwal	Rashmi	Sandhya Jain	Alpana Singh
Richa Sharma	Bindiya Gupta	Deepti Choudhary	Sarika Gupta	Sanjita Behra

Tariffs

Rs. 1200/- till 31st January, 2012 | Rs. 1500/- till 24th February, 2012 | Rs. 1800/- Spot
Cheque to be made in favour of "AOGD Conference 2011" and sent to
